Into the Biting Wind

-That sonabitch wouldn't have teeth if it wasn't for the “guv-mint” he savages at every turn!

-Yeah, I know, hillbilly dental clinic that ran until Republicans got in. Well, his teeth are a sword.

-Don't be funny!

-He got up the nerve, when he usually ducked and hid, to speak up at public meetings and then...!

-He'll be next senator, keeping us all barefoot and pregnant.

-And the toothless will adore him! Being his core.

-Oh well, football trumps in this state anyway.

-Go you rampaging Wild Hogs! Kill! Rape!

-You better go back to sissy East.
